

IMPORTANT RECALL NOTICE

Dear SCUBAPRO Customer,

Consistent with our safety-first philosophy, SCUBAPRO is working with the U.S. Consumer Product Safety Commission (CPSC) to conduct a voluntary recall of the Monorail Weight Pocket.

The D-ring handle for the Monorail Weight Pocket could detach during use. If this happens, the user might not be able to unlock the Monorail Weight Pocket in an emergency to rise to the surface, posing a potential drowning hazard.

The recalled Weight Monorail Pockets were sold between November 2025 and February 2026.

You are receiving this letter because our records indicate that you purchased this recalled item.
